SUBJECT

Abstracts from Meetings

Abstracts of the scientific programs of the American College Health Association Sixty-fifth Annual Meeting May 28–30, 1987, Chicago, p7
Abstracts from the International Congress on community-oriented primary care for student health, Jerusalem, August 1985, p341

Acne Vulgaris

Long-term tetracycline use in the treatment of acne vulgaris—the role of routine laboratory monitoring. E Tanzman, p272

Administration

Using importance-performance analysis for evaluating university health services. DW Kennedy, SL Kennedy, p27
Dilemmas of voluntary versus mandatory coverage for off-campus health care. DP Kraft, p158

Addresses—Annual Meeting

College, the quality of life. EL Boyer, p259
Impact of the future on college health. LR Kaiser, p264
Making connections. MW Bridwell, p257

AIDS

AIDS on campus: A survey of college health service priorities and policies. BA Caruso, JR Haig, p32
AIDS: A sister's experience. AC Perkins, p245
AIDS: Students' knowledge and attitudes at a midwestern university. MP Goodwin, B Roscoe, p214
A physician's experience: Taking care of Ralph. JM Dorman, p243

Alcohol

ACHA statement on alcohol and drug use, misuse, and dependency, p60
The American College Health Association's standards on alcohol and substance use, misuse, and dependency, p64
Adult children of alcholics on campus: Programming for a population at risk. C Riccelli, p117
Alcohol abuse intervention in a university setting. FG Williams, R Knox, p97
Alcohol use and alcohol problems: Clinical approaches for the college health service. J Kinney, P Meilman, p73
Computerized MAST for college health service. JL Anderson, p83
Facing the issues: Commentary. WD Burns, DC Sloane, p57
For more information: Commentary. WD Burns, DC Sloane, p131
Identifying the problem drinker: Commentary. WD Burns, DC Sloane, p65
Intervention strategies: Commentary. WD Burns, DC Sloane, p95
An overview of a university student assistance program. L Laitman, p103
Preventive medicine and college alcohol abuse. JP Hickenbottom, RP Bissonette, RM O'Shea, p67
Recent research on gender differences in collegiate alcohol use. AD Berkowitz, HW Perkins, p123
Screening for problem drinking in college freshmen. DS Smith, M Collins, JP Kreisberg, J Volpicelli, AI Alterman, p89
Self-reported alcohol, drug, and eating disorder problems among male and female adult children of alcoholics. P Claydon, p111
A sampler of alcohol literature. V Rolett, J Kinney, p132
Selected resources on alcohol and alcoholism for college health services. V Rolett, J Kinney, p136
Two special populations: Commentary. WD Burns, CD Sloane, p109

Chlamydia Trachomatis

Clinical and laboratory screening of *Chlamydia trachomatis* in women at a university health service. CA Pereira, GE Paquette, PB Wood, SA Grant, p39
Chlamydia trachomatis infection in a female college student population. JE Kaplan, M Myer, J Navin, p289

Contraceptive Use

Trends in contraceptive use among university women, 1974–1983: A decade of change. SM Harvey, p209

Coronary Heart Disease Risk Factors

The relationship of sex and marital status to coronary heart disease risk factors in Israeli medical students. PE Slater, P Ever-Hadani, S Harlap, B Rudensky, p323

Dentistry

A student-to-student dental outreach program. JA Gur-Yosef, GS Leske, LW Ripa, p185

Sources of stress among Israeli dental students. HD Sgan-Cohen, U Lowental, p317

Health Fairs

A smoking and health fair: Implementation and evaluation. RG Evans, B Decker, p172

Health Behavior

Health behavior change and the college personal health class: A multifaceted approach. RR Cottrell, M Caret, R Trickel, K Zavela, p283

Health Promotion

Demographic and organizational variables that affect southeastern college and university student health promotion. MM Buck, p175

Marketing postsecondary health services. LM Delene, p229

Injuries

Bunk bed injuries in college students. DK Dedrick, RE Burney, RN Hensinger, JR Mackenzie, p279

International Students

Abstracts from the International Congress on community-oriented primary care for student health, Jerusalem, August 1985, p341

Health care of foreign students. ADG Gunn, p345

International student health: Editorial. CB Reifler, p303

Health needs assessment of international students and their families at the University of Illinois. Ogbudimkpa JE, Cresswell W, Lambert B, Kingston R, p313

International health: Editorial. M DeArmond, p305

Stress related diagnosis and barriers to health care among foreign students: Results of a survey. AJ Ebbin, ES Blankenship, p311

Psychological processes in immigration and absorption: The case of immigrant students in Israel. J Mirsky, F Kaushinsky, p329

Strategies for improving health care for foreign students and dependents: Joint ACHA-NAFSA task force report, p307

Mental Health

Involving parents in the management of psychiatric emergencies in college students far from home. HJ Solky, JE McKeever, RA Perlmutter, TE Gift, p335

Life stress and depression in university students: Clinical illustrations of recent research. MK O'Neil, P Mingie, p235

Medical students seen in psychiatry. J Drouin, p349

Panic disorder in university students: A review. ME Giesecke, p149

Premature return to school following a psychotic episode. TE Gift, WH Southwick, p289

Problems among students seeking mental heaith care. T Niemi, p353

Mitral Valve Prolapse

A study of the relationship between mitral valve prolapse and personality characteristics. W Lanning, K Iverson, p214

Secular Trend

The secular trend and socioeconomic factors characterizing students of the Technical University of Bucharest between 1976 and 1985. G Gyenis, G Till, p355

Student Health Services

A student-produced media show introducing student health services on campus. PG VanDeerlin, J Karet, p44

Substance Abuse

Use of the substance abuse subtle screening inventory with a college population. SE Cooper, DAG Robinson, p180

ACHA statment on alcohol and drug use, misuse, and dependency, p64

The American College Health Association's standards on alcohol and substance use, misuse, and dependency, p60

Urinary Tract Infections

Problem areas in the management of urinary tract infections. R Shalom, p165

Guest Reviewers

We would like to thank the following people who have served as guest reviewers during the production of Volume 36, July 1987–May 1988. Their interest in the journal is greatly appreciated.
